

complete the form, and which department is required to forward the forms to the accounting department. The procedures also include a provision that states that members will not be billed for computer equipment services, repairs, or replacements when new or refurbished equipment fails in the normal and customary usage within 30 days of installation. The procedures described above have proven to be an effective way to administer these requests, including the billing of fees and should continue to allow for the efficient handling of computer equipment services, repairs, or replacements, and member/participant-requested relocation of computer equipment.

The Exchange has determined that the fees for computer equipment services, repairs or replacements and relocation of computer equipment that are charged are appropriate and reflect the costs for these services that are incurred by the Exchange. After reviewing the matter, it was decided that the Exchange should continue to charge a fixed rate, as opposed to different rates for different computer repairs. The minimum charge of \$250 per service call for computer equipment services, repairs, replacements, or relocations reasonably approximates the average costs for these services. However, the minimum charge may not cover all the costs involved in repairing, servicing, and relocating computer equipment. Members and participants will continue to be billed on a monthly basis for these charges.

## 2. Statutory Basis

For these reasons, the Exchange believes that its proposal to amend its schedule of dues, fees, and charges to include a fee for computer equipment services, repairs or replacements, and a fee for member/participant-requested relocation of computer equipment is consistent with Section 6(b) of the Act<sup>10</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>11</sup> in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Phlx represents that it does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the Acts.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

The Exchange has neither solicited nor received written comments on the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>12</sup> and Rule 19b-4(f)(2)<sup>13</sup> thereunder because it establishes a due, fee, or other charge. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-00-53 and should be submitted by August 25, 2000.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>14</sup>
